Exterior Wax/Sealant

Wax or sealant applied to paintwork.
Gives paint a deep wet shine! Creates a protective
layer that repels water, prevents fading and
blocks harmful UV rays from the sun. Protects
against bugs and bird droppings

Cars: \$75 - \$95 Trucks: \$105 - \$125
Vans: \$125 - \$145 SUV's: \$125 - \$145

Exterior Ceramic Coating

Ceramic coatings are a semi permanent coating that
protects paintwork from fading and water spots.
Also protects against harmful UV rays, bugs and
bird droppings. Makes water bead and sheet off of
paint. Gives your ride a long lasting shine and has
self cleaning properties that make washes and
cleanings easier for next time! Coating lasts
up to 4 years if maintained properly!
